

Gobe Divers May 2010 Newsletter

We'll make this short and sweet for you!

Travel:

Cozumel! We just added a group trip for July 31-Aug 7, and we'd love to have YOU join us! We are hearing great reports about the reefs, and the oceanfront Scuba Club Cozumel is our favorite. Perfect time of year for diving families. See the full description at www.gobedivers.com, Travel pull-down. Deposit due by May 31.

Blue Hole, New Mexico, May 21-23. Fun road-trip weekend with diving friends. And, we've found the Silver Moon Restaurant in lovely downtown Santa Rosa. Yum!

Spring Inventory Sale:

May 22 & 23 ONLY!

30% to 40% off all wetsuits (fullsuits, shorties, hooded vets...anything that covers your core). Limited to stock on hand.

40% off Sale Table items (lots of good stuff!)

We will be re-playing the amazing video of Niue Island and its Humpback Whales that Ed and Sandra shared with us at Club Night.

Cool new entry-level digital camera and housing! The camera itself is waterproof to ten feet, so if you flood your housing, your camera will probably survive! At \$299, it's irresistible! 8 mp, 3 underwater modes, 3x optical zoom, video, takes up to 8GB SD card. Great for hiking and other (moist) sport activities.

Monthly Raffle:

We are in our third month of our really popular raffle. This month tickets are \$3 each, and the prize is a **QII Erasable Magnetic Slate**. Come in to enter, and check the details on the bottom of the Gobe website homepage.

Go to www.seafoodwatch.org and find the Monterey Bay Aquarium's Sustainable Seafood Guide. It will help you make choices that are healthier for ocean wildlife.

Gobe Divers will be closed Saturday, May 15 to observe Armed Forces Day.

See you soon,
The Gobies
