Gobe Divers Newsletter June 2010

Gobe Club Chatfield Friday Night Picnic & Dive, June 25.

We're doing it again! Everyone is welcome to meet at the Scuba Pond at Chatfield State Park for a potluck picnic. Bring something to grill for yourselves, drinks, a dish to share, and a chair in which to relax. We'll bring the grill and fixin's. Grilling starts at 6pm. Diving starts at 5. Stop by the shop to get a tank and rent gear ahead. (Many of us skip the diving!)

Aurora Reservoir Annual Clean-up Saturday, July 10.

Speaking of state parks, we are forming a group go out to Aurora from 8am-1pm July 10 for the annual clean-up. Call for details and to join a car-pool!

Upcoming Gobe Group Dive Vacations

Cozumel, July 31-August 7. There is still time to join the group at Scuba Club Cozumel!

Bonaire, Jan 15-22, 2011. Here are 3 GREAT reasons for Bonaire in January:

1. It is very Southernmost Caribbean, so the days are still long, even in January.
2. The air and water temperatures are also still in the 80's...they don't change much.
3. Denver is really cold, even the skiing is cold. The only cold things about Bonaire have to do with what you're drinking.

(**Bonus** Factoid: Folks in Denver are really grumpy then.)

(Second **Bonus**: Some people on the trip will be having a birthday!)
